

2nd Grade Summer Projects ~ Community Workers/Helpers

Please read these books this summer:

- ◆ *When I Grow Up* ~ By: Mercer Mayer
- ◆ *All About Things People Do* ~ By: Melanie & Chris Rice (nonfiction)

Reading Response:

After you have read both books about community workers/helpers, please complete the following activities:

- ◆ Interview a community worker/helper. Use the questionnaire included in your packet.
- ◆ What do you want to be when you grow up? Write 3 – 5 sentences about your choice. Provide an illustration or model. Make it colorful and be creative! ☺

Just a note:

We encourage the children to read frequently over the summer. We invite the children to read all types of texts: fiction, nonfiction, and poetry. After your child has read independently, you may ask your child a few questions to gauge if he or she understands what he or she has read. You may want to read aloud to your child each day. This is a special time in which you can share your favorite childhood book.

Enjoy! ☺

Math Activities:

After you have read both books about community workers/helpers, please complete the following activities:

- ◆ Select a community worker/helper. Write 3 – 5 sentences about how he or she uses math at work. Provide an illustration or model. Make it colorful and be creative! ☺
- ◆ Use flash cards to drill addition and subtraction facts.

Enjoy your vacation!

Remember: Bring your activities back to school with you in September.

Listed below is the supply list for second grade. Please send these supplies with your child during the first week of school. Thank you for your support! ☺

2 marble composition books (no spirals)	1 large eraser
4 folders with pockets	4 low odor white board markers & eraser (EXPO or other brand)
